- Need technical guidance?
- Need your home or office networked?
- Having computer problems or need troubleshooting assistance?
- Need well-written "How-to" documents to help with computing tasks?

Well, if so...It's Time to get TechSavvy®!

TechSavvy® is a company that provides technical services to customers no matter what their technical skill level may be. Our goal is to empower you, providing you with solutions as well as information to help you in the future. Listed below are some of the solutions we provide:

HOME/OFFICE WIRED AND WIRELESS NETWORKS

- Manage file sharing between multiple computers
- Allow multiple computers to share a single printer
- Increase computer flexibility
- Add remote desktop capability

COMPUTER UPGRADES

- Install hardware (DVD-ROM, DVD-RW, Hard drive, etc.)
- Install software (Antivirus software, Microsoft office, etc.)

PERSONALIZED COMPUTER ASSISTANCE

- Backup and secure important files
- Write customized "How-to" documents
- Provide information to help with technical purchases

You don't have to haul your equipment to us anymore...we bring our services to you. If you have any questions or concerns, please call or email us. We look forward to working with you.
